

KNIGHTS LANDING SPORTSMEN CLUB
P. O. BOX 5
WOODLAND, CA 95695

July 31, 2017

Dear Member of the Knights Landing Sportsmen's Club,

As the new president of the Knights Landing Sportsmen's Club, I am excited to write you this letter to let you know what is going on in the club. In our January meeting, new officers were elected. The new officers are:

Board of Directors:	Phil Gaines
	Jerry Gilbertson
	Mark Poletti
	Les Young
	Kent Malcolm
	Kameron Malcolm
	Tim Gee
President:	Mike Wademan
Vice-President:	John Brewer
Secretary:	vacant
Treasurer:	Brad Cloonan
Range Officer:	Quade Hutchison
Rifle Instructor:	Bob Wademan
Hunter Safety Officer:	Mike Russow
Public Affairs Officer:	Allen Roberts

I'd like to thank the previous officers and board members for their hard work and dedication to the Club. As you know, the Club operates because of volunteers, without whom we would not have our target shooting and pheasant hunting programs.

Earlier this year, we conducted a survey about our pheasant hunting program. While response was generally positive, we consistently heard complaints about the amount of land available to hunt, the amount of cover on the available land, the number of pheasants planted, and that plant days were not well advertised.

Our pheasant hunting program is possible due to the generous donation of trespass rights from farmers in the Sutter Basin and River Valley Farms. Unfortunately, we do not have control over the amount of land or cover on the land donated to us. However, we do have control over the number of pheasants we hunt and how we advertise plant days. We have tightened our belt a little with our operating expenses and plan to plant **250 more pheasants in the 2017 season**. We will try to plant more pheasants in upcoming years as our expenses and volunteer force allows.

Pheasant plant days are typically provided in the in the packet with your back tags. We will do a better job at making the plant days more noticeable in the packet as well as posting the plant days on the Club's webpage (www.klscpheasants.com), Facebook page, and the Club's answering machine message. Occasionally we must postpone a plant day due to weather. We will post changes to plant

KNIGHTS LANDING SPORTSMEN CLUB

**P. O. BOX 5
WOODLAND, CA 95695**

days on the webpage, Facebook page, and answering machine message if we need to postpone a plant day.

As part of our cost savings effort, and to make Club business a little more efficient, we have a new club address:

Knights Landing Sportsmen's Club
PO Box 5
Woodland, CA 95695

Please send any correspondence to the Club to that address, including membership applications.

We are currently working on getting new phone number, but we don't have that worked out as of yet. For the time being, you can contact me on my cell phone at (530) 304-0330. We'll let you know when the new club phone is ready.

We are looking forward to a successful year in 2017. Feel free to contact us at the phone number above, on Facebook, or by email at knightslandingsportsmensclub@gmail.com. Remember to check out our webpage (www.klscpheasants.com) and Facebook page for updated Club information. Join us at our monthly meetings the first Tuesday of the month except June, July, and August.

Thank you,

President, Knights Landing Sportsmen's Club

*****Lead-Free Ammunition Reminder*****

As of July 1, 2016, the next phase-out of lead ammunition for hunting in California was implemented. Hunters must now use NONLEAD AMMUNITION when hunting with shotguns for upland game birds (except for dove, quail and snipe). For further information, please refer to the California Fish and Wildlife website at <https://www.wildlife.ca.gov/Hunting>.
